With a close-knit and fully organized team of fully qualified tradesmen PG offer a unique, self-sufficient and reliable service that is second to none. Utilizing an extensive network of protocols and modern technology, PG is driven by our reach for excellence. PG works tirelessly to provide proactive, innovative and flexible solutions to all projects large and small. Customer satisfaction is our paramount goal and we are proud of the open and professional culture we have with our clients, that underpins our continual growth and success.

Reliable & Trustworthy, we deliver

Vision

To be Kuwait's premier construction service provider.

Mission

To provide a quality professional service, exceeding customer expectations, by the effective utilization of all resources, with the best practice of the industry

Reliable & Trustworthy, we deliver

Quality Policy

We at Peeks Group (PG) are a team committed to provide high quality products and services, that confirm to the requirements of our customers in the execution of construction projects and in the construction and infrastructure works. To achieve sustained success, we strive to exceed our customer expectations in the execution of our business activities. We are committed to comply with applicable statutory, regulatory, legislative & contractual requirements in the execution of our business activities in Kuwait. To manage our organization effectively & efficiently, we aim to recruit & retain highly motivated, competent people as well as we stimulate their full involvement in order to develop their abilities for the benefit of the individual & our organization. To optimize performance through effective process management, we manage our activities & associated resources as a planned process to produce the right products at right time with a minimum wastage while aiming to maximize efficiency. To improve the current level of our Quality Management System, we are always committed to the continual improvement of our Quality Management System. To produce desired results, we measure our performance in our key activities based on the evaluation of collected data & information to make informed & effective decisions on how to improve the processes. For sustained the success of our business, we manage our relationship with our clients, external providers & collaborative business partners.

HSE policy

Effective implementation of integrated management systems is the core of our business strategy. We at Peeks Group Co. (PG) are working as a team to make customer prefer our works and services to retain our position as leading supplier of engineering works and service. We are sensitive to our customer changes needs including demands for EW&S and are bringing continual improvement in our management system and employee's skills to satisfy those needs. We are also determined to provide safe and secure working conditions to our employees to prevent the injury, ill health and/or other incident and are adopting all appropriate measures for prevention of pollution to our Environment and neighbors. We recognize and committed to comply all applicable Kuwait legislation to provide & maintain safe, healthy and comfortable work environments for our staff sub-contractors, suppliers, customers, visitors & neighbors. Although, we are committed to; Ensure that good environmental management is an essential part of our business culture in the way of communicating the EMS policy to all employees. Strive to ensure that all employees, contractors, customers and members of the public are aware of the environmental impacts of our business and understand how we can work together in order to meet the needs of our business in a safe and sustainable manner. In this regard we seek to provide leadership towards continual improvement. Report and audit our environmental performance as a means to improve accountability and to drive continual improvement of our EMS. Ensure that employees and other stakeholders are made aware of their individual responsibilities contained within our EMS by effective communication. Ensure that the relevant needs and expectations of Interested Parties are considered and met if deemed to be compliance obligations. Ensure that the relevant needs and expectations of Interested Parties are considered and met if deemed to be compliance obligations.

Plan to achieve our environmental objectives by;

- ✓ Reducing energy and resource consumption.
- ✓ Minimizing the amount of waste generated.
- ✓ Reducing emissions to air.
- ✓ Preventing pollution.
- ✓ Re-using and recycle where possible.

Our Brand promises.

Our brand promise details who and what we are; **Reliable and trustworthy, we always deliver our promises to our customers.**

Construction strategy

PEEK GROUP (PG) as the Construction Company has excelled in its integrity, professionalism, expertise and reputation as the foremost Construction Company in Kuwait. The construction industry has been a major contributor to Kuwait's rapid economic development over the past few years. The country has rushed to make up for its more than two and a half decades of intermittent building activity across most segments, from high-end residential housing to commercial and office space to a variety of key infrastructure segments.

Reliable & Trustworthy, we deliver
